Fringe staff wear black or white t-shirts and volunteers wear purple t-shirts and would be happy to help you!

## **Entering the Building**

A Front of House person will audibly announce, as well as hold up a sign, for priority seating for anyone requiring extra time. This includes patrons using accessible or alternative seating. If that's you, then you will enter.

A Front of House person will then make a general entrance announcement and hold up a sign for everyone to enter the theatre a few minutes later. If you haven't already gone in, then it's time.

## Lobby

When you enter the doors, you will be in the lobby. This is what the lobby looks like:

## Performance Space

These are the doors to the Mainspace. The Mainspace is located on the main floor directly across from the main entrance.

## **During a Relaxed Performance**

If you are coming for a relaxed performance, there will be a short introduction before the show starts. Someone from the company will let you know a little about the show, characters, and if there is anything that may be surprising during the performance. You can also expect reduced sound and lighting effects. The house lights will be on at a low level so that you can enter and exit safely at any time. Audience members are free to sit or stand, make noise as they need to, or use fidgets as needed. We want you to be comfortable.

## **Quiet Zone**

If you need to leave the theatre during the show for any reason, you are welcome to sit in the quiet zone, which is located in the main lobby on the benches. You may still hear some of the sounds from the show while you are in the quiet zone, but it will be quieter than inside the theatre space.

## Washrooms

There are gender neutral washrooms on the main floor. When facing the box office in the lobby, turn left and head down the hallway to the washrooms.

There is a single occupancy accessible washroom on the right side of the washroom hallway. There is an automatic door opener on this washroom.
